1. Seven aircraft with features differentiating them from the MIG-15 landed on Merseburg airfield on 10 April. The aircraft, possibly MIG-17's, approached the field in two flights headed by MIG-15's. The latter have been observed at Merseburg for some time. 25X1

2. Gross Doelln airfield was still vacant as of 1230 hours on 16 April. The early occupation of the airfield is indicated by the establishment of two D/F stations. 25X1
